2018 SPECIAL EVANGELISM SAVINGS PRINTER DIRECT OFFER

We are preparing to order a new print run of the **Full-Size How to Find God and New Believer's New Testaments**. We order print runs several times per year and we are thrilled to be able to pass the savings on to our customers through this offer. Our plan is to submit our order by July 20th and delivery is expected approximately 7 or 8 weeks from when we submit the print run order.

In order to take advantage of these savings, we must receive your order and payment on or before July 13th. Custom covers are now available in quantities of 2,500 (previously 10,000) so you would need to contact us ASAP to allow sufficient time for design and approval of your custom cover. The deadline for artwork submission is July 6th.

If the timing isn't right but you would like to be notified of our next print run, please let us know. Or if ordering a pallet is just out of your reach, consider partnering up with other Churches or Ministries in your area to take advantage of this great savings opportunity.
